**A MESSAGE FROM FATHER PIERZ SCHOOL OF RELIGION**

There's revival and it is spreading amongst the youth! Many of my students and friends have encountered the love of God & experienced healing & wholeness on a retreat; to know who and what you are living for is a beautiful thing. I want to encourage not just the youth, but all adults to do some type of retreat to renew their faith and grow closer to God this next year. My prayer is for every person to know how deeply loved they are by Jesus Christ & for people to know, love, & serve Jesus with their whole lives, not just on Sundays, not just on Wednesdays, not just during classes or Bible study, but that they live their lives in such a way that others are drawn to them; there is nothing more attractive than holiness. One of my favorite quotes from St. John Paul II is:

*"It is Jesus that you seek when you dream of happiness; he is waiting for you when nothing else you find satisfies you; He is the beauty to which you are so attracted; it is He who provoked you with that thirst for fullness that will not let you settle for compromise; it is He who urges you to shed the masks of a false life; it is He who reads in your heart your most genuine choices, the choices that others try to stifle."*

To live your life in such a way that people see Jesus in you. When people saw St. John Paul II they saw the presence of Christ; He was the beauty to which they were so attracted to. I urge you to live your life this way & to pray about doing a retreat to grow in relationship with Jesus.

We have many opportunities right in Minnesota to grow closer to God through a retreat:

### **CATHOLIC Q&A: Sin on the Soul**

**Question:** Why do some sacraments leave a character or mark on the soul? Don't all sacraments affect the soul?

**Answer:** All sacraments mediate grace and connect us to Christ and to the Church. Some sustain us in our faith journey, while others help us heal from the effects of sin. Each one offers a share in God's life, giving us what we need to be faithful followers of Jesus. But some sacraments change us in ways that are irreversible. The three sacraments that leave a character are Baptism, Confirmation, and Holy Orders. We are literally different people because of the effect of the grace of those sacraments. We are changed at the core of our being in such a fundamental way that we can not go back to what we once were.

In Baptism, we are freed from original sin, initiated into the Body of Christ as adopted sons and daughters. In Confirmation, we are given the fullness of God's Spirit, sealed in his grace and gifted with what we need to live a Christian life. In Holy Orders, a priest is marked as an 'alter Christus,' another Christ, and is once and forever a priest who offers sacrifice, forgives sin, and acts in the person of Christ. In these three sacraments, we are conformed more closely to Christ, reflecting his love and truth.
