A MESSAGE FROM MICHELLE LITKE, HOLY TRINITY SCHOOL PRINCIPAL

Last week was Catholic Schools Week. It was a fun-filled week, where the students celebrated being united in faith and community. Thank you to the parishes of Holy Cross, St. John Nepomuk, St. Michael, and St. Joseph for your continuous support in helping us to nurture the faith of our children. By living our Catholic values and actively participating in their spiritual development, we contribute to shape future generations committed to the journey of sainthood.

We all have a desire in our hearts for our Lord. I see that yearning in children at a very young age. It amazes me the experiences and encounters that our children have with Jesus during adoration and prayer. When I was teaching second grade at Holy Trinity, my students shared their experiences during adoration, and they were beautiful! Some of the most beautiful prayers I have heard have come from children as they have had the opportunity to pray together at school.

God wants to be a part of our lives everyday. Society loves to keep us busy and wants us to believe that we need to always have something occupying our mind. I see the effects of this in children that struggle to sit quietly or to take a short break if they finish an assignment early. Adults (myself included) struggle with sitting in silence as well; especially if we have a phone in our back pocket. I think one of the most beautiful ways that we can teach children to be still and sit with the Lord is through adoration and attending mass. We are created to have a yearning for our Heavenly Father and when we prioritize Him first, everything else that we do will make more sense. This is a part of our mission at Holy Trinity school. We strive to teach children to grow in their love for the Lord through time spent with Him throughout the day in prayer, journaling and adoration. Thank you to all who help our children to grow in their relationship with Jesus!
