**The Holy Spirit, the Life of God in the Soul**

Dear Friends,

Happy Solemnity of Pentecost to you! Today is the conclusion of the Easter Season and also the birthday of the Holy Catholic Church. In a sense, today is our Mother’s birthday!...our Mother Church. The word Pentecost comes from the Greek word, pentecoste, meaning, fifty, because of the fifty days in between Jesus’ resurrection and the sending forth of the Holy Spirit upon the Apostles to preach the Gospel to all nations and forgive sins.

At the Pentecost Jesus breathed on the disciples the very breath of divine life in the Holy Spirit. They then went out and proclaimed and did the mighty works of God. God shares his very life, love and even breath with us, in order that we might give his divine life to others. Jesus says, “Everything that the Father has is mine; for this reason I told you that he will take from what is mine and declare it to you.” (Jn:15:16) The Holy Spirit is living, active and powerful in the life of the Church today. When we place our trust in God and turn to him often and for everything, he can do amazing things in us. St. Paul says, “If we live in the Spirit, let us also follow the Spirit.” (Gal. 5:25)

**Notes:**

\*This weekend we celebrate the graduates of the class of 2024 at the Baccalaureate Masses in our ACC. Baccalaureate, from the Latin, baccalaureātus, actually means bachelor’s degree, or a religious service for graduation. We give thanks to God for the blessing of these graduates and how God has worked in their young lives, bringing them now into a new chapter in their lives. As they may leave home and depart on a new journey, may they know that they always have a home here amongst their family of faith in the Church. However, they will also find home whenever they are with Jesus Christ in the Eucharist in nearest Catholic Church. We remember that the word Catholic means universal. The Catholic Church for each of us, no matter where we are, is always home.

**\*As our graduates leave home and move elsewhere, hopefully finding a Catholic community where they can attend Mass each week and seek Confession will be on the top of their list. Parents remember how important your daily prayers are for them and do not be afraid to check in with them about where they are attending Mass on the weekend.**

\*Please mark your calendars for an ACC Town Hall meeting on May 29<sup>th</sup> at 6:00pm at St. Michael’s in Buckman. This meeting will include prayer, a presentation from staff and parishioners on different aspects of parish life, events, news, and a vision for the ACC. It will include an update on the St. Cloud Diocese parish planning process, and there will be time to ask questions and give input. All parishioners are invited and encouraged to attend.

May God bless you, Father Aaron

### WHY GO TO CHURCH

A churchgoer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. "I've gone for 30 years now," he wrote, "and in that time I have heard something like 3,000 sermons. But for the life of me, I can't remember a single one of them. So, I think I'm wasting my time and the preachers are wasting theirs by giving sermons at all."

This started a controversy in the "Letters to the Editor" column, to the delight of the editor. It went on for weeks until someone wrote this clincher: "I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals but I do know this. They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!" —*Author Unknown.*
